

## SUMMER 2021: Required Reading List - Grade 8

Students are encouraged to read as many books as they can, but are required to read **two**. Students should include parents/guardians in the choice to help decide if the books are appropriate in terms of reading level and content. These lists contain a wide range of choices.

For each book read, students must fill out a [Google form to notify teachers](#). Form responses will be used to begin the summer reading assignment in the fall.

### **TWO fiction or non-fiction books from the following lists:**
