

## **SEASONAL AND CULTURAL DISPLAYS**

It is the library's function to provide materials in a variety of formats, including displays, which people can use to increase their knowledge regarding seasonal and cultural events, holidays, festivals, etc.

In order to best fulfill this function, the library will create seasonal and cultural displays, but will not create displays which celebrate a particular religious holiday.

Approved by the Board of Trustees 3/21/95, 4/20/05, 6/23/21
