or return this check to the library in person or by mail

Friends of the Flint Memorial Library

P.O. Box 576

North Reading, MA 01864

## Who Are The Friends?

---

The Friends of the Flint Memorial Library are a nonprofit group of volunteers who support library programs and materials not funded by the town budget, including:

- Adult and children's programs, including the summer reading program
- Refreshments and most library programs
- Museum passes for library patrons
- Book sales and the popular Holiday Cookie Walk

## How You Can Support The Friends

---

Simply join the Friends (see opposite side). Your annual dues will be put to good use, funding the activities and events community members enjoy.

If you have time, we appreciate your help with book sales, the Cookie Walk, and special events. As little as an hour of your time makes our organization tick!
